A high-angle photograph of the Dubai skyline at sunset. The Burj Khalifa is the central focus, its spire reaching into a clear blue sky. The city lights are visible in the background, and the sky transitions from a pale blue to a warm orange near the horizon. The text is overlaid on the lower left portion of the image.

A photograph of the Dubai skyline at sunset. The Burj Khalifa is visible on the left. The central focus is the Sobha Al Khanjari tower, which has a distinctive blue and gold facade and a clock face near the top. Other skyscrapers line the street, and a person in a white thobe is walking on the sidewalk in the foreground.

A composite image featuring the Dubai skyline on the left, including the Burj Khalifa and the BurjDubai clock tower. On the right, a scene from a hot air balloon ride shows several colorful balloons (yellow, blue, green, and red) floating against a blue sky with white clouds. In the foreground on the right, the back of a yellow hot air balloon basket is visible, with two people looking out over the landscape. The overall image is a promotional graphic for a travel package.

The image is a vertical composition. The left half features a low-angle shot of the Burj Khalifa against a clear blue sky, with a curved highway visible in the background. The right half shows a person from behind, walking on a sandy path through a narrow, deep desert canyon with high, reddish-brown rock walls. The lighting in the canyon suggests a bright sun high in the sky, creating strong shadows and highlights on the rock faces.

DUBAI Y JORDANIA COMPLETO

11 DÍAS 10 NOCHES

A composite image featuring a large, ornate, metallic archway with intricate Arabic calligraphy in the foreground. The archway is illuminated with blue and white lights. In the background, a city skyline is visible at sunset, with a tall, illuminated tower (the Al Jumeirah Emirates Towers) standing out against the orange and red sky. A large crowd of people is gathered in the foreground, and the overall scene is lit with warm, golden light from the setting sun.
